- First Congregational Church -  
Spring 2025

## ADOPT-A-BILL FUNDRAISER

Help the church generate additional income by "adopting" a bill! Church Council invites you to adopt one (or more) of the church's bills/expenses. Traditionally, the summer months are quieter around church - this applies to our revenue stream as well. Please consider helping out! You may place your "bill" in the offering plate or return to the Church Office by June 8.

Note: There are two sets - **blue for monthly** and **green for weekly** - with average utility and other expenses.

*Thank you for this one-time gift to the church!*
