

SCRIP GIFT CARD PROGRAM

NEXT FCC ORDER IS AUGUST 21ST

Through our new gift card fundraising program, also called Scrip fundraising, through a company called Raise Right, the church can raise money when members and friends use retail gift cards to pay for everyday purchases (like gas and groceries) and more, instead of paying by credit card, cash, or check.

There are hundreds of gift cards you can purchase from retail stores, online merchants, restaurants, gas stations, entertainment, even flights and travel purchases; and each can be turned into a small percentage of money that will go directly to our church. Click here to check out our church's new order form to see the retailers and the percentage back that they offer.

Jennifer Dimmer and Rhonda Thompson, our church Scrip/Raise Right Coordinators, will be placing an order on Sunday, August 21. The gift cards will be available at the church for pick up starting on Sunday, August 28. You can enroll and place an order ahead of time on the company website, RaiseRight.com/enroll. Our church enrollment code is **P8I47VHNX56H**. Or, you can complete the **paper form** and write out a check to the church and mail it to church or bring it to the office or with you to church on Sunday.

We understand that the program might seem overwhelming or confusing at first. If you are not familiar, and would like to learn more and sign up, Jennifer is happy to meet with you or discuss over the phone. She is available to walk you through the process of setting up an account and placing an order. If interested, please reach out to her directly (jenniferdimmer@gmail.com or 414-303-1813).

You buy a gift card

You get the full value.

Getting your morning coffee. Doing DIY projects around the house. Ordering takeout. Conveniently raise money by doing everyday things.

"It's super convenient. All I need to go shopping is my phone—I don't even need credit cards or my purse. I'm going to pay for these things anyway, I love being able to use gift cards so we get something in return."
