

Greetings Church School Friends!

We are excited to start another program year of Church School. Please join us for our first-ever **virtual Church School** where we learn and discuss the bible story *Jesus Calms the Storm* (Matthew 8:23-27).

You may enter this YouTube address (<https://youtu.be/P2AeIC1VII>) to view our Church School video. It is sure to put a smile on your face! Thank you to the Dimmer and Olson families for their involvement. We welcome all families to reach out if they would be interested in being a part of upcoming video productions.

The take-home project accompanying this lesson is for each of us to **construct a boat out of Legos**. Small kits of Legos can be found in a gallon bucket hidden inside the Little Free Library at church. We invite you to stop sometime this month to pick up a kit for each of your Church School participants! We would love to see the finished products. Please take a photo of your child with their boat and send it to our new email - portucckids@gmail.com.

Let the fun begin!
