

First Congregational Church

An open and inclusive community of faith.

We want to share some troubling information that we understand will be hard to receive. Pastor Jim announced on Sunday morning that Chris Fraser, a long-time member, was apparently assaulted by a staff member in his group home on Sunday, August 31. Chris sustained multiple injuries that required hospitalization. He was discharged this past Monday, September 8, and is temporarily living with a friend in Delavan, Wisconsin. Chris is healing and has shown great strength and resilience.

We have planned a *Time of Prayer* for tomorrow, Thursday evening, September 11, from 6:00-6:30, here at church. A time to pray for Chris and his recovery.

A card will be available to sign through Sunday morning. If you'd like to send one, you may email us and we will provide Chris's current mailing address.
