EARN PORT PRIDE HOURS WHILE SERVING THE CHURCH

A component of Port Washington High School's Port Pride Program is community service in which students pledge to complete 15 hours of community service each semester in exchange for one final exam exemption.

First Congregational Church is a partner of the program! High school students may earn hours by serving our church in a variety of ways: Nursery care, hosting Fellowship Hour, ushering, selling Christmas trees and more. Reach out to the Church Office to learn more!
