

## GREETING CARDS - A GIFT TO OUR CONGREGATION

We would like to recognize longtime member, Chris Drasch, for her time and efforts in sending greeting cards to members and friends. For the past two years, Chris has been on hand to send cards to let folks know we are thinking about them. Chris has sent almost one hundred cards in this time! Chris also takes part in our Congregational Care Team's birthday card initiative, where team members take turns sending out birthday greetings each month. Thank you, Chris, for this meaningful and thoughtful act of kindness on behalf of the church!
