NURSERY CARE ON FIRST AND FOURTH SUNDAYS AT 9:00

Nursery Care is provided during the 9:00 church service to give parents a chance to attend church while their children play. **Nursery is offered on the first and fourth Sundays of each month**, when we do not meet for Church School or Kids Club. All young children, through the elementary grades, are welcome!

Nursery Care is provided by 8th graders who are a part of our Confirmation program and high schoolers who are earning their Port Pride service hours, along with their parent. All caregivers are set in the coming months, now we just need little ones to come join them! Parents - please utilize the Nursery, the older kids love to play with the younger ones! If you are concerned about the noise due to being adjacent to Fellowship Hall, please let the caregivers know and toys can be brought into another space.

Nursery dates for the next two months:

January 5 and 26

February 2 and 23
