

CHURCH SCHOOL NEWS

This month Church School will explore the story of Noah, his Ark, and the meaning behind rainbows as told through *Genesis 6-9*. We hope to see all children at class on **November 10** and at Kids Club on **November 17**!

During October, the group learned about the Garden of Eden, and how Adam and Eve were tricked by a sneaky snake (*Genesis 2:4-19 and 3*). The snake was a highlight, as many of our Church School attendees have a fondness for reptiles. Special guest Jenny Bardeen from Lake Michigan Bird Observatory took the children on an outdoor adventure to explore our own Garden of Eden. A hike down to Creekside Commons, using homemade binoculars, identified a woolly bear caterpillar as well as other birds, bees, and plants. See *page 14* for photos. During Kids Club the following Sunday, the group revisited the monthly story, focusing on how even when we do something wrong, such as eating an apple from the Tree of Knowledge of Good and Evil, we are still loved by God.

NURSERY CARE

Nursery Care is offered during the 9:00 church service on the first and fourth Sundays of each month, when we do not have Church School or Kids Club. 8th graders who are a part of our Confirmation program, and high schoolers who are earning their Port Pride service hours, provide the care along with their parent. Nursery dates for the rest of the year:

November 3 and 24

December 1 and 22

Parents - please utilize the Nursery, the older kids love to play with the younger ones!

Church School meets the **second Sunday** of each month. We start at 9:00 with an abbreviated church service, read the selected Bible story, and enjoy activities that tie into the lesson.

Kids Club meets the **third Sunday** of each month. Children join their families for the start of the 9:00 service, and, following a performance by the Handbell Choir, gather together to focus on reinforcing the Scripture message, using music and projects for enrichment.
