

IMAGINE TOGETHER

STEWARDSHIP CAMPAIGN - NOT TOO LATE TO PLEDGE!

We are nearing the end of our annual Fall Stewardship Campaign. It's the time of year when we ask members and friends to commit to financially supporting our church in the year to come. We thank the many individuals and families who have already pledged. If you haven't yet, it's not too late. "Imagine Together", the theme of the campaign, is a good reminder of what can be done if we all take part in the good work of the church.

A good number of pledge payments are made through EFT (Electronic Funds Transfer). If you haven't utilized EFT for your payments, please do so! It is safe and secure, and allows for a consistent revenue stream for our church. [Click here](#) to get started.

If you have any questions about pledging, please don't hesitate to email the church office and we will connect you with the Stewardship Team or Finance Team.
