

TIME TO MAKE PLANS FOR SUMMER CAMP 2025 AT DAYCHOLAH

Daycholah Center is one of the camps within United Church Camps (UCCi) and is located on the southeast shore of Green Lake, the deepest natural inland lake in Wisconsin.

Camp Daycholah, a series of summer camp opportunities at Daycholah, has planned a new event, Alumni (and Family) Weekend! This weekend brings together past campers, staff, and their families to celebrate a shared love of camp. Reconnect with old friends, create new memories, and enjoy classic camp activities like kayaking, paddleboarding, arts and crafts, and archery. Explore how Daycholah Center has grown and changed over the years while reliving the joy of your favorite home away from home.

For those seeking a traditional summer camp experience, Camp Daycholah weeks are the heart of the season. Week 1 and Week 2 are action-packed weeks offering campers of all ages the chance to dive into swimming, archery, kayaking, crafts, and more. Week 3 is slightly shorter, perfect for families navigating busy summer schedules while still delivering all the camp magic in a condensed format.

A wide variety of camps offer something for everyone. From Tenderfoot, a perfect first camp experience for younger kids, to high-energy themed programs like Sail Camp, Con Camp, and Night Owl, each week is packed with adventure. Families can make unforgettable memories at the 4th of July Family and Friends Camp, while teens can jumpstart their leadership journey in the Counselor in Training program. Arts lovers will thrive at MADD Camp, and nature enthusiasts will enjoy the outdoors at every camp.

Whether you're swimming in the sparkling waters of Green Lake, creating masterpieces in the craft cabin, or stargazing by the campfire, Camp Daycholah is a place for all ages to discover connection, joy, and inspiration. Join us for a summer of laughter, adventure, and lifelong memories! [Click here](#) for all sorts of camp information!
