## TAKE ADVANTAGE OF ART IN ACTION NEAR US!

Cedar Valley, just a 35 minute drive from our church, a part of the Outdoor Ministry of United Church Camps, is both a retreat center and art studio. Nestled in the heart of Washington County near West Bend, Cedar Valley is surrounded by 100 acres of pastoral beauty including hiking trails, multiple gardens, a pond, rolling hills, and panoramic views. The buildings include the main lodge, art studio, a historic log house, a barn, and the iconic Spirit Chapel. [Click here](#) to view a short YouTube video.

Cedar Valley is recognized as being a place to relax and sink into creative endeavors while making connections to those with similar interests. Year-round, a variety of art classes and workshops are offered for public participation. The classes are led by experienced and accessible instructors and are geared towards exploration and fun.
