

## JUSTICE TEAM EVENT - YOU ARE INVITED

The next Justice Team meeting on Tuesday, February 22, at 6:30 p.m. will feature a discussion led by Pastor Scott, based on an article, titled "Whiteness rooted in place". All are welcome! The article, published in *The Christian Century*, is based on a *Veritas Forum* interview with Dr. Willie James Jennings, Associate Professor of Theology and African Studies, Yale Divinity School. Participants are encouraged to read the interview article prior to the discussion. A free link to the article is at: [www.christiancentury.org/article/interview/whiteness-rooted-place](http://www.christiancentury.org/article/interview/whiteness-rooted-place). In the interview, Dr. Jennings challenges readers to think about how race and Christian thought came together in the American landscape. Hopefully the discussion will take place in Fellowship Hall, in person. A virtual Zoom discussion will be the back-up plan, depending on the status of COVID-19 in the community.

Celebrate Black History month with a visit to America's Black Holocaust Museum, 401 W. North Ave, Milwaukee. The Museum will have its Grand Onsite Re-opening on Friday, February 25, 10:00-5:00.
