

## PREACHING AND LEADING WORSHIP IN JULY

We are so fortunate to have clergy members of the congregation who are able to step forward and help fill our pulpit so well when Pastor Scott is away. In June Don Niederfrank did an outstanding job and now in July Rev. Craig Modahl and Rev. Steve Davidson will be leading worship while Scott is away on a Mission Trip. Please plan to come and hear the Word as discerned by Rev. Modahl on July 10th and then from Rev. Davidson on July 17th.

## SUMMARY OF SPRING CONGREGATIONAL MEETING

The Spring Congregational Meeting took place on June 26 in Fellowship Hall following worship. After Jeanne Mantsch called the meeting to order, Pastor Scott offered a brief prayer and Treasurer Kathy Bretl and Financial Administrator Phil Stepanski updated everyone on the church's finances for the first half of 2022. The Financial good news was that our giving has kept pace with expenses, and we are filling in the deficit gap so far. We still have a real challenge ahead, but if additional fundraisers are successful there is cautious optimism, that we will meet all obligations. The annual reports of the different team leaders were accepted, and a new slate of officers and Team leaders were presented to the congregation for a vote. Our new officers and team representatives: Jason Jacque, Moderator, Shandy Roehrig, Christian Education, Eric Olson, Community Outreach, Ken Matthews, Staff Support and Review, were elected to the Church Council and will begin serving July 1st. We are still seeking an Associate Moderator. Jodi Cowen was appointed as Stewardship Team Representative to complete the term vacated by Jason Jacque as he moved to serve our new Moderator. Pastor Scott introduced a new Capital Campaign Planning Team; Bill Bond, Carolyn Heatwole, Jeanne Mantsch, Joe Mueller, Karen Oftedahl, and Ray Shupe. They will be working with Wisconsin Conference UCC staff person, Rev. Andrew Warner, in putting together a possible financial campaign to attend to the church's necessary building repairs and bring to the congregation a proposed campaign for a vote sometime in the fall or winter. Thanks to all those who attended the meeting. Our Annual Report can be viewed by [clicking here](#).
