

## Pastor Evaluation

The following evaluation has been created through the guidance of materials as recommended by the United Church of Christ. The purpose of this assessment is to gather feedback from our congregation to support in the creation of objectives and areas of focus for the year ahead.

Please thoughtfully consider your rating for each focus area, and where possible provide comments to support your answers. Evaluations can be completed per person, or at a family or household level. All evaluations received will remain anonymous.

### Worship Leadership & Preaching

**FOCUS:** How effective is our pastor in delivering a sermon I find to be meaningful and relevant?

NA/ Not aware	1- Not effective	2- Developing	3- Proficient	4- Exemplary
